Features:..New Models Films We go all out in creating truly dynamic new models that showcase the character and characterisation of the vehicles they represent. In order to do this, we are now tasked with producing new vehicle displays that show a variety of the vehicles that are currently manufactured today, as well as vehicles from the British Motor Museum. Here is a shot from one of the new models that was exhibited at the London Motorcycle Show last week (right), as well as our Brand Ambassador, Steven Knight. I was delighted to be invited to the Speedmasters as guest speaker at the London Motorcycle Show last week. The show was first held in 1976 and named after the Grand Prix motorcycle. It was a great event attracting over 20,000 people including a huge number of motorcyclists from across the UK. During my session I was able to speak to some of the exhibitors at the show, as well as to our customers and members of the media who were attending the event. It was an extremely valuable experience for us all. I hope that some of the useful information I shared will help other manufacturers, as well as our customers in their projects. About Us Barwell Motorcycles is a British manufacturer of machines that are intended for pleasure, competition, leisure and work.
